## ABOUT US

MEDAAC Edu Solution is one of the top overseas education consultant in India. Established at Kerala, India, we have placed number of students in more than 8 different countries. We help students in building the careers. We take care of the students right from choosing the university till the student lands safely at the university and beyond.

Though we started primarily as overseas education consultants for UK, we have grown Very strongly in UK, Ukraine, Russia, Malaysia, Canada, Belarus, Bulgaria, Georgia, Ireland, Australia, New Zealand etc... Recently we have added MBBS admissions to Philippines, China, Kyrgyzstan, Kazakhstan, and Moldova into our education abroad consulting profile. We are not growing on advertisements, but primarily on the references provided by the successful students and word of mouth has been our marketing strength. The references are so bottomless that our service

MEDAAC, brought so much technology into business both in communication with students as well as universities, we made physical office system outdated and we primarily operate from corporate office, where the best of the talent is available. We counsel the students by direct conference to make them completely understand about universities and we do organize video conference sessions with university officials.

Various accreditations and memberships speak volumes about us. Our Team attend various workshops on overseas education across the world to keep abreast of the development in overseas education to give better service for candidate.

We our tremendous experience, are best equipped overseas education consultant in India to guide for the student's visa. We understand critical issues to the minutest level, which so crucial for student's visa approval. You are well aware that many a time a small mistake will cost you dearly at student visa and when it comes to student visa nobody wish to take chance, so do you? This has been our way to success and made us best among in abroad education consultants in India.

When it comes to the most crucial issues in career, do not take a chance. Keep it in the safe hands of India's most successful and trusted overseas educational consultant - MEDAAC Edu Solutions, A complete solution for education in India & Abroad

# STUDY IN UKRAINE

## ADVANTAGES OF STUDYING IN UKRAINE

Study in Ukraine is an integral part of national education system. Even after the collapse of the Soviet Union, Study in Ukraine was considered one of world's best and its reputation was still strong enough to attract thousands of foreign students each year. Its students, graduates and academics have been known and appreciated worldwide.

Being a participant of the Bologna process, Ukraine joined common European education system, as well European academic research community. A new set of qualification requirements for education in Ukraine has been adapted to meet European Standards. Ukraine is one of the most preferred destinations in the world for education. Students from over 70 countries come to Ukraine every year to study

The universities under The Ministry of Health of Ukraine offer the best value for money in the sphere of education for students from around the world. Good facilities and a history of high-quality education and care, provide the right environment for students to be molded as accomplished lecturers of international Standard. The universities are recognized by all medical councils around the world.

### Some more the advantages are listed below:

- The medical universities of Ukraine are recognized by WHO, UNESCO, MCI and medical councils of many other countries.
- The medium of instruction in Ukraine is English which makes it much easier for international students to adapt to the environment.
- The cost of accommodation is very low as compared to other countries like USA, UK and many European countries. Apart from this,
- the travel for students in Ukraine is very cheap. Students get special discounts for traveling within the country.
- The Colleges of Ukraine offer high quality facilities to the students.
- The students studying MBBS, Veterinary and other courses in the universities of Ukraine are provided with various opportunities to participate in the international exchange programs, conferences, and other scientific projects in various international universities which open more doors for them to achieve their goals in the field of medicine.
- Indian students who complete their MBBS from a medical university of Ukraine can easily get a job in India as the MBBS degree obtained from a Ukraine university is recognized by Medical Council of India (MCI).

### Why Study Abroad....???

#### Low Tuition Fees Structure

The universities abroad offer Indian students a very low-cost tuition fee compared to that for the same course in India.

#### No Donation

Foreign universities never demand any donation or any extra fee. Students have to pay only the tuition fee of the university.

#### Admission in the Top Ranked Universities

Studying abroad expands your options of getting a seat in the top-ranked universities of the world.

#### Worldwide Recognition

The universities are approved and recognized by top organizations like NMC, WHO which confirms that the degree from such universities is recognized worldwide.

#### No Entrance Test

Many universities do not ask for any entrance examination like IELTS/TOEFL or any language test.

#### Medium of Teaching is English

All the universities we offer to students are teaching the courses in English medium, there is no compulsion to learn foreign languages for it.

## TESTIMONIALS

**CATHERINE**  
Palakkad

I feel blessed to be a student of V N Karazin National Medical University. The infrastructure is pretty awesome. Teachers are student friendly. We had a stress free atmosphere. We also got to interact with students of different cultures from all over the world. The hostel was good with a calm atmosphere and best facilities. Also feel grateful to Medaac team for all the support.
