ABOUT US

MEDAAC Edu solution established in 2003 is a pioneer in education consultancy service in India that avails a complete solution for education in India and Abroad. We provide career counseling and admission guidance in most of the reputed institutions offering medical, paramedical, engineering, management course and many more.

Atop of our experience and excellence for the past two decades we directly represent about 150 reputed colleges across the country and we successfully admit over 3500 candidates per year. The admission is sought only in reputed colleges which are affiliated to reputed University and recognized by Government of India.

MEDAAC is not growing on advertisements but primarily on the reference provide by our students and word of mouth has been our marketing strength. Our expert counselor aids students to select and secure admission according to their skill set and interest.

MEDAAC has been in existence all over India with a network of offices located in major cities of India and abroad.

MISSION

- To clear all the doubts and myths of students about DOMESTIC and OVERSEAS education through our free counselling services.
- To provide up-to-date information and course details of universities
- To recommend right course for the right candidate after analysing their skills, educational and financial background.
- To help the students in getting student visa successfully by providing efficient and simple solutions.
- Knowingly we would not give misleading guidance and advice to the students.

VISION

- Our vision is always to provide best services to the students and help our students succeeding in their studies and future career.
- Quality education promotes competency of employees and also results in overall growth and advancement of the society.
